RESEARCH PROJECT TOPIC REGISTRATION FORM
DOCTOR OF HEALTH AND MASTER OF PUBLIC HEALTH

When you have consulted with the Coordinator of the Research Project units and determined the topic and supervisor(s) for your project, complete this form, obtain the signatures from your proposed supervisor(s) and forward it to the Academic Administrator in the Menzies School of Health Research.

Version: 25 November 2014

Name of Candidate:  

Student Number:  

Course of Enrolment:  

Is this the first topic form you have submitted?  

Project Title:  

50 Word Summary of Research Objectives

Proposed Primary Supervisor:  

Proposed Associate Supervisors: (1)  

(2)  

NOTE: (i) There are three allowable formats for the thesis available here: menzies/Coursework_research_project_information
Menzies strongly encourages the thesis format: Research Paper with Appendices
(ii) You and your primary supervisor are required to complete a Supervision Agreement available here: menzies/Coursework_research_project_information
(iii) Your supervisors must be recorded on the CDU Register of Supervisors; application forms are available here: cdu.edu.au/research/ori/hdr-supervisors

Signature of Candidate:  

Date:  

Signature of Supervisor:  

Date:  

1 registration of a topic, title and supervisor is not binding – if you want to change it, complete another form.

2 A Menzies supervisor must be appointed when the Primary Supervisor is not a member of Menzies.

Return this form to the Academic Administrator: PO Box 41096 Casuarina NT 0811/ F: 08 8946 8464 / E: education@menzies.edu.au
