POSITION DESCRIPTION

POSITION TITLE: Research Program Manager – NHMRC-funded Centre of Research Excellence in Ear and Hearing Health of Aboriginal and Torres Strait Islander Children (CRE_ICHEAR - Indigenous Children’s Healthy EARs)

DIVISION / SECTION: Child Health Division

SUPERVISOR: Prof Amanda Leach

CLASSIFICATION LEVEL: GSL 8 or Academic Level B

SALARY RANGE: $86,248 - $101,955 pro-rata

STATUS (FTE): 0.8 FTE

NO. OF POSITIONS REPORTING DIRECTLY: 1

NO. OF POSITIONS REPORTING INDIRECTLY: 0

SUMMARY OF POSITION:

Menzies’ NHMRC-funded Centre of Research Excellence (CRE) in Ear and Hearing Health of Aboriginal and Torres Strait Islander Children (CRE_ICHEAR - Indigenous Children’s Healthy Ears) is dedicated to reducing educational and social disadvantage associated with ear disease and hearing loss, particularly of Aboriginal and Torres Strait Islander children who have the highest recorded prevalence of chronic suppurative otitis media (perforated eardrums) in the world. Our Centre seeks to raise awareness of this disadvantage, and to promote hearing as a human right. We will focus on innovation and research capacity building to create more effective research translation. Our CRE_ICHEAR is a collaboration of multidisciplinary researchers from Menzies, the University of Western Australia and University of Western Sydney, the University of Newcastle, University of Sydney, the National Aboriginal Community Controlled Health Organisation, the Telethon Kids Institute, the Royal Prince Alfred Hospital and the Murdoch Children’s Research Institute.

The CRE_ICHEAR requires a Research Program Manager to assist in achieving its mission, through establishing efficient coordination and communication strategies for its Research and Governance network (Advisory Board, Leadership Group, Indigenous Reference Group, Research Quality and Capacity Building). The Research Program Manager will assist with establishing and maintaining research performance, reporting processes and requirements of NHMRC, DoH, Ethics and other regulatory reporting. The Manager will have the opportunity to participate in research activities including preparation of evidence summaries, research papers, and research translation activities.

Aboriginal and Torres Strait Islander people are encouraged to apply.

PRIMARY RESPONSIBILITIES:

1. Establish an appropriate ‘presence’ and awareness of the project within the Aboriginal and Torres Strait Islander community and health sector.
2. Build networks with Aboriginal health providers, research networks, ear and hearing specialists.
3. Work with the CRE Governance Groups (Advisory Board (AB), Indigenous Reference Group (IRG), Capacity Building Group (CBG) and Leadership Group (LG)) to facilitate planning, documenting minutes and disseminating outputs of the face to face meetings, teleconferences, workshops and other joint meetings of partners and key stakeholders.
4. Administer research grants and student scholarships, monitor progress against CRE...
objectives including Indigenous capacity building, research translation and collaboration.

5. Participate in research activities such as systematic reviews, evidence summaries and grant applications.

6. Regularly review all CRE_ICHEAR budgets and monitor financial status with Child Health Division’s Business Manager and report expenditure in accordance with agreed budget allocations and timelines to the CRE LG.

7. To work with Menzies Legal, Child Health Business Manager and Research Administration in the management of its contracts.

8. Oversee all CRE_ICHEAR program activities to ensure compliance with all contractual and programmatic obligations and mitigate risks.

9. Maintain Website, Facebook page and Twitter accounts to promote CRE activities.

10. Any other tasks as reasonably required by the supervisor, CRE Leadership Group, Director or delegate.

SELECTION CRITERIA:

Essential:
1. PhD or equivalent research or tertiary qualifications or experience.
2. Demonstrated high level oral and written communication skills in preparing and publishing high quality reports.
3. Ability to identify, build and maintain formal and informal networks and internal and external relationships that are important to the achievement of CRE_ICHEAR research objectives.
4. Demonstrated qualities in integrity, ability to work cross-culturally, resourcefulness, initiative in the delivery of service to stakeholders and a positive attitude.
5. Demonstrated high level computing skills including Microsoft Word, Excel, Power Point and Outlook mail and calendars, data management, and ability to adapt new technologies.
6. Ability to travel interstate.
7. Driver’s license (manual) and OCHRE Card (working with children clearance)
8. An understanding and awareness of relevant Workplace Health and Safety as well as Equal Opportunity principles and legislation along with a commitment to maintaining a healthy and safe workplace for all Menzies staff, students, volunteers and visitors.

Desirable:
1. Post-doctoral experience in health research.
2. Knowledge of NHMRC and/or other medical research funding processes.
3. Experience as Investigator on NHMRC project or other grant.
4. Knowledge of or demonstrated skills in Endnote.
5. Aboriginal and Torres Strait Islander Heritage
