

# Plenary 6

## *Moving Forward*

# Connecting Communicating Collaborating

# Highlights

- Broad range of presentations
- Declaration space
- Yarning circle
- Delegates from all over the globe, including rural and remote communities

# Brief summary

- So full and rich...difficult to summarise
- Its not just about cancer
- Open discussions on difficult topics such as racism and trauma
- Acknowledging “continual weathering”
- There are many commonalties but clearly some differences
- Not implemented what we know
- Indigenous leadership, ownership and engagement
- Many activities occurring and we are making progress
- Important to share resources, knowledge and experiences
- Providing opportunities to share stories particularly of strength, resilience and hope

# Post-conference

- Evaluation survey – feedback
- Conference report
- Videos of presentations and conference highlights online

## What comes next...

- Establish an international network and to support the development of Country specific networks, which reciprocally support an international network

## Thank you!

- Yarning Circle Advisory committee
  - NICAN Ambassadors, Indigenous Australian community-controlled health services and peak organisations, Menzies School of Health Research, research centres and the Queensland Government along with partners from our global network of Indigenous cancer experts
- Carillon Conference Management Pty Ltd
