

## The Ramaciotti Regional and Remote Health Sciences Training Centre

### Ramaciotti Futures Internship Program

#### Background

The Ramaciotti Regional and Remote Health Sciences Training Centre (Menzies-Ramaciotti Centre) is developing a sustainable, local, and First Nations health workforce in the Northern Territory. The Centre facilitates training and career progression for Territory youth with a focus on First Nations youth. The Centre is guided by overarching values of equity, reciprocity, self-determination, mutual support and trust.

Further information on the Menzies-Ramaciotti Centre can be found on the Menzies website.

#### About the opportunity

The Ramaciotti Futures Internship Program will support First Nations youth residing in the Northern Territory enrolled in eligible courses for 12 months. Eligible courses include, but are not limited to:

- [Certificate in Health and Wellbeing](#)
- Relevant Bachelors Degree including but not limited to Nursing and Science
- [BSB40520](#) Certificate IV in Leadership and Management
- [BSB40920](#) Certificate IV in Project Management Practice
- [BSB30120](#) Certificate III in Business
- [HLT23221](#) Certificate II in Health Support Services
- [CHC43315](#) Certificate IV in Mental Health
- [SIS30321](#) Certificate III in Fitness
- [Diploma of Science](#)
- AMSANT: Aboriginal and Torres Strait Islander Primary Health Care
- [Tertiary Enabling Program](#)
- [Undergraduate Certificate Introduction to Environmental Science](#)

- [CUA41320](#) Certificate IV in Visual Arts
- [HLT40221](#) Certificate IV in Aboriginal and/or Torres Strait Islander Primary Health Care Practice
- [MSL30122](#) Certificate III in Laboratory Skills

Successful applicants will receive a living stipend of up to \$20,000 per year, paid fortnightly. The final value will depend on the recipient's employment income and access to government income support such as ABSTUDY. Stipends will be awarded through a competitive application process.

The program will run at Menzies School of Health Research in Darwin, Northern Territory, and successful applicants will be expected to regularly attend the Menzies-Ramaciotti Centre in Darwin to gain industry experience, receive training and experience from expert health professionals, and receive peer-to-peer support in their studies. The Menzies-Ramaciotti Centre offers continued support through future study and work.

### **Eligibility**

- This opportunity is for First Nations youth resident in the Northern Territory
- Aged 18 – 24 years (preferred) and able to enrol in an accredited VET or university course.
- Able to conduct their internship at Menzies School of Health Research in Darwin NT (Royal Darwin Hospital Campus).
- Students already enrolled are welcome to apply

### **Application requirements**

The application must demonstrate a commitment and interest in a career in health and/or science. Each application must include:

- CV outlining studies and any employment or extracurricular activities
- Completed application form

Applications must be submitted to [Menzies-ramaciotti@menzies.edu.au](mailto:Menzies-ramaciotti@menzies.edu.au)

**Closing date:** 16 February 2025

Specific days and dates of the internship will be negotiated between Menzies and the successful applicant at the time of award to align with university studies.

### **Application evaluation**

Applications will be assessed by a panel including Menzies-Ramaciotti Centre representatives.

### **Obligations of scholarship recipients**

#### **Recipients of the training scholarship will be required to:**

- Attend placement on the days and times as agreed with their supervisor as outlined in the Internship Agreement
- Demonstrate a commitment to completing studies
- Attend meetings and workshops
- Attend engagement activities
- Follow Menzies standards of professional conduct, health and safety regulations, confidentiality agreements, ethical research practices and Menzies smoke-free policy.
