July 11 6-8pm

Alcohol and Pregnancy - A Community Conversation

If you, a family member or friend have an interest in the effects of drinking alcohol during pregnancy come and talk to us about research in this area including

- Alcohol and pregnancy
- Fetal Alcohol Spectrum Disorder (FASD)
- Best ways to include community opinions in research

Tell us what you think!

DATE: Monday 11 July

TIME: 6pm – 8pm

VENUE:
