

# HOT NORTH

Improving Health Outcomes in the Tropical North

## SAVE THE DATE

Katherine Campus, Flinders University

20-21 FEBRUARY 2018

Professional development opportunity for Health Staff

Hear from **HOT NORTH** clinicians, researchers and local and interstate colleagues about the latest work in northern Australia and beyond on:

- New initiatives in skin health
- Diabetes in pregnancy and youth
- Impact of antimicrobial resistance on local guidelines
- Enhancing communication between hospitals, primary health and public health
- New initiatives in rheumatic fever and rheumatic heart disease
- The Planetary Health agenda
- Other Katherine research interests and priorities

*Registration opens mid January - free*
