Where

**Seminar Room | John Mathews Building (Bldg 58), Royal Darwin Hospital Campus ([view map](#))
(available on WebEx details below)**

Abstract:

The new College of Health and Human Sciences at CDU has a growing research portfolio and this presentation will outline some of the key areas of activity. From the Biomedical sciences to Psychology, Social Work and Play Therapy the College hosts a range of research activities- many of which could be strengthened through partnership with colleagues from across CDU and Menzies. This presentation will discuss some of these areas and detail my own research in Workforce development, Evidence based practice and the Psychology of wounds and wound care.

Biography:

Professor Dominic Upton (BSc (Hons), MSc, PhD, FBPsS, PFHEA, CSci) is the Dean of the College of Health and Human Sciences at Charles Darwin University. A Health Psychologist by background, Professor Upton has had an extensive career in clinical practice, teaching and research. Professor Upton has led a number of significant research projects funded by national and international bodies and held a number of significant national positions for psychology and learning and teaching. He has authored 19 books and over 200 academic articles in academic journals and book chapters. His current research focus is on the psychosocial factors in wound care and wound healing.
