**Anthony Huszar;** Mott MacDonald, the Management Agent for the Fleming Fund Grants Programme

## Title

**‘Antimicrobial resistance (AMR) in Timor Leste’**

## When

**Thursday, 18 July 2019 from 12.00pm – 1.00pm**

## Where

**Seminar Room | John Mathews Building (Bldg 58), Royal Darwin Hospital Campus - [view map](#)  
(available on WebEx)**

### Abstract:

Dr Anthony Huszar from Mott MacDonald, the Management Agent for the Fleming Fund Grants Programme will present on The Fleming Fund, a UK aid program managed by the UK's Department of Health & Social Care (DHSC), which was established to support low and middle-income countries to generate, share and use AMR data so they can optimise the use of antibiotics and reduce drug resistance.

Dr Josh Francis and Dr Jen Yan will provide an update on research and capacity building projects that Menzies is currently implementing in Timor Leste, with a focus on work on antimicrobial resistance surveillance, supported by a Fleming Fund grant.

### Presenters:

**Anthony Huszar;** Mott MacDonald, the Management Agent for the Fleming Fund Grants Programme

**Josh Francis-** Honorary Fellow and Project Co-Lead, Fleming Fund Country Grant to Timor Leste- Menzies. Paediatric Infectious Diseases Specialist, Royal Darwin Hospital.
